# “L” & Corner Configurations

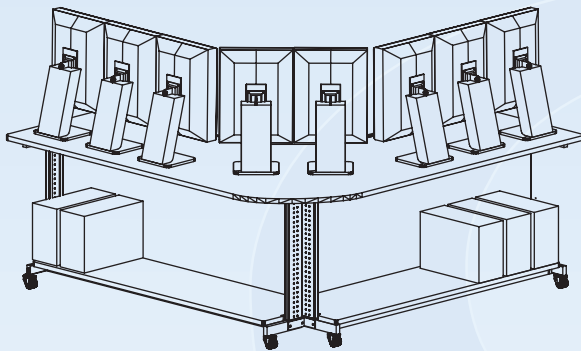

Our “L” & Corner configurations allow you to organize a multi-task environment with a design suited to your floor plan, optimizing work flow and productivity.

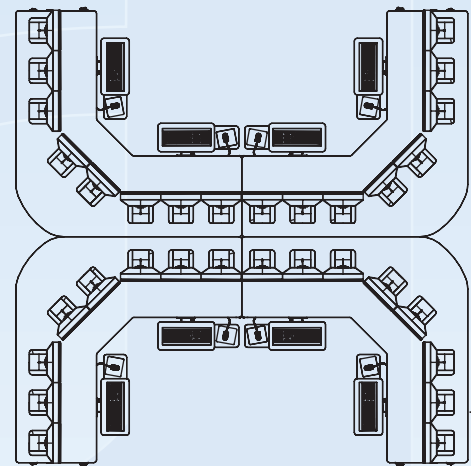

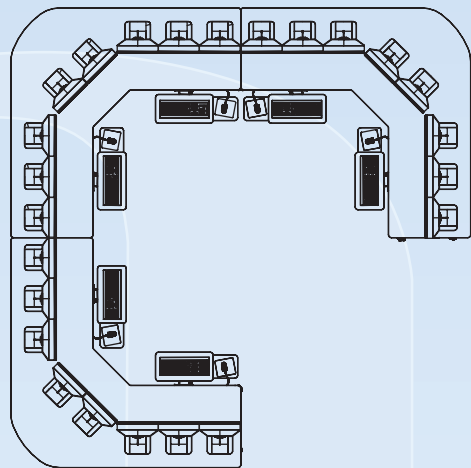

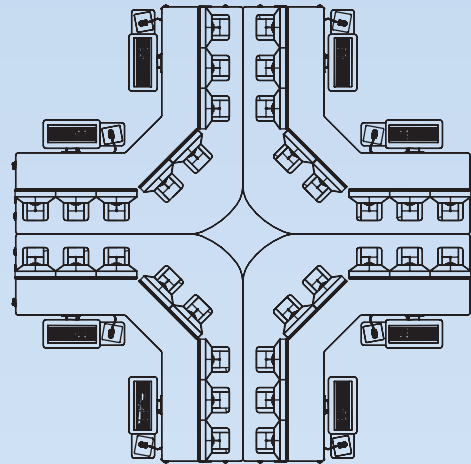

**Complete your workstation plan with soundproof partitions!**

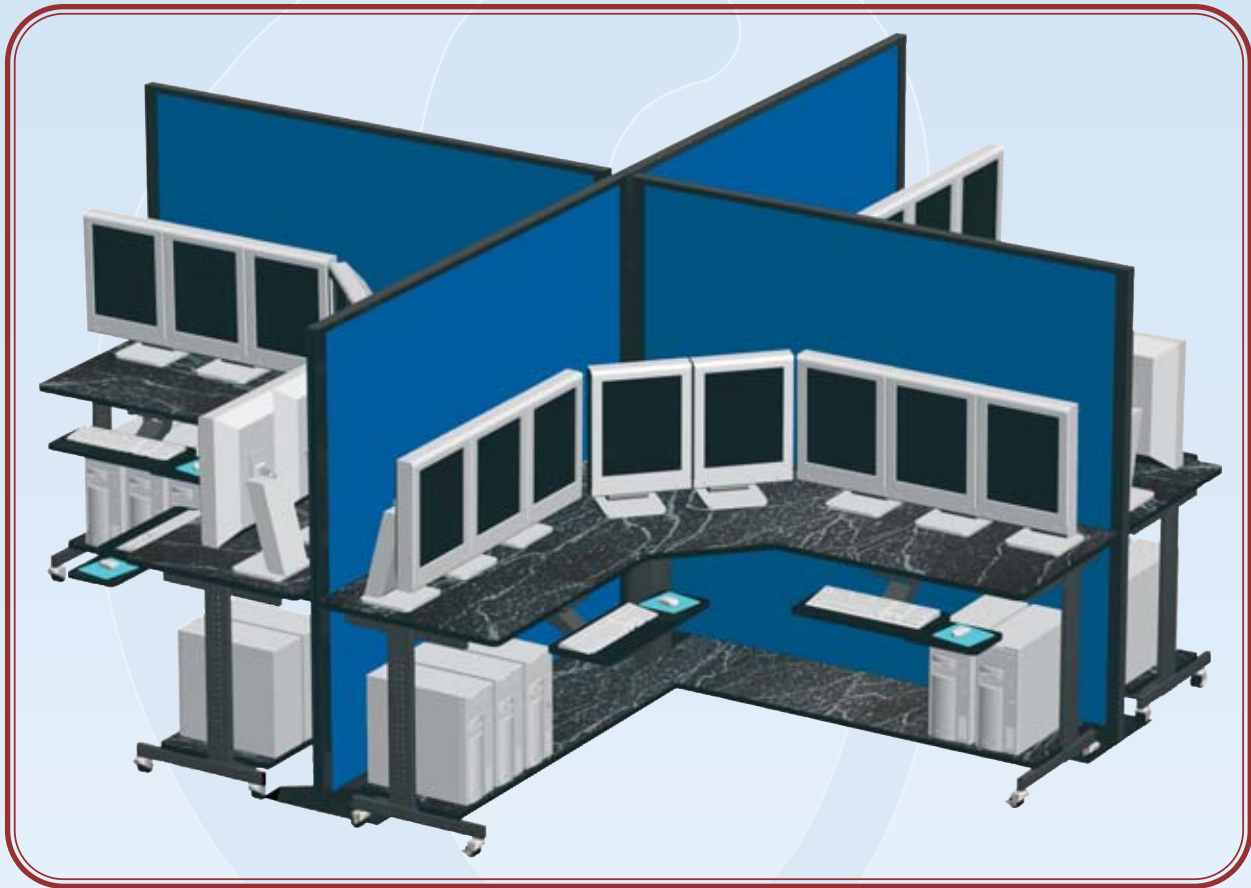

Our partitions provide privacy and act as sound and light barriers. They can include a plexi-glass panel across the top so operators can see outside of their “cubicle”.

AFC Partitions can be configured to suit your application.

# Room Layouts

**Need help designing your workspace?**

- AFC engineers are available to help you design your work area
- We are available for on-site evaluation of your facility
- We can provide you with 3 dimensional drawings to allow you to evaluate designs before you place your order

**Regardless of your space requirements AFC SmartCarts offer a compatible fit!**

**We will customize your SmartCart to fit your room dimensions!**
